

About us

Your party band just evolved:

Sapiens Go Home is here to break the cycle of the same 40 overplayed covers. We dig up forgotten bangers properly funk infused, songs you know and love but won't hear at every wedding, bar, or radio loop.

And no, we're not playing 'Highway to Hell...'
...but maybe "It's a Long Way to the Top" slips in 😊.

Francis García: bass/vocals | Javi Torres: guitar/bvox
José Medina: drums/bvox | Pável Mora: keyboards/vocals
